Very sorry to hear about this Fred. Thoughts with you and your family. I can contact the Audubon fact checker for you if that would be helpful (talked to her this afternoon).

Dear Royden and John,
My sister passed away yesterday. Sudden, unexpected, but apparently without pain.
I am heading to the funeral Tuesday morning and will be away until Monday.
I will miss the GBIRD calls. I got a fact checking call this morning about the Audubon article.
Fred
