Heath, it's great to meet you. Do you want to take a look at [my calendar](#) and see if there's a good time for us to meet in the next couple of weeks?

I'm very much looking forward to learning more about your work and collaborating with your team.

Hi Heath and Patti,

I would like to electronically introduce you two.

Patti is the new Communications Director at the GES Center with extensive experience in external comms and project mgmt.

Heath is the Communications Director for Island Conservation and leads the Communications and Outreach focus area of GBIRd. His background is in communications and policy.

Heath, Patti and I met for the first time today to discuss Base Camp and I have her an intro to GBIRd. Please add her as a contact for GBIRd related Comms issues. If desired, I can do a Skype intro as well. I think you two will have a lot to discuss!

Organizational points of contact are copied for awareness.

Warmly
Royden
