Good evening --

I went to a meeting at 4:30 and did not get back to the computer til now. I am not going to Amsterdam until Saturday. I have several appointments tomorrow morning between 8 and 10:30 my time, so any time after 11 central/12 noon Eastern would work.

Thank you!

Hi Elizabeth,

Fred can meet tomorrow, but not Friday. I believe you will be in Europe tomorrow. If you still want to attempt, let me know. We are 6 hours behind Amsterdam (which is where I recall you will be). If not, we can try next week.

Thanks again for the enthusiasm and time today for discussing next steps! Good luck with your talk.

Warm Regards,
Royden
