Hi Royden,

I'm pretty open right now, although I may be heading to Nashville on Thursday but if I do I can hop on a call anytime while I am there too. But today and tomorrow I am definitely free anytime.

Hi Todd,

Are you around next week? Your calendar looks pretty open.

Because you know GBIRd and you know Open Phil, I would like to better understand if is any alignment with the two programs.

If we can meet, I will ask that Carol joins (you met her during the discussion on crowd funding).

Thanks,

Royden
