Dear all,

Please find below 2 doodle polls to set up the next in person meetings. Given the challenges to organise the calls, it was decided that the working groups will meet in person in London for a day and a half and that the whole Committee would meet as usual in person to discuss and report on all topics for a couple of days. For the latter, it was suggested that the location could be one of the countries in Africa (preferable Mali or Uganda) in that case please let us know if you could plan for a week on site around May/June dates suggested in the poll.

Working group meeting – 1.5 day:

Ethics Committee meeting - 2 day meeting for review and planning:
