Hi Todd. Thanks for speaking up by email. Please forgive my lack of checking in. I probably committed other oversights. To those that fit this description, please follow Todd's lead.

With Gratitude,  
Royden

**Subject:** Society for Environmental Journalists

I was going to chime in after Heath but wanted to let you know that I will be on a panel with the Brooke Borel, the author of the Audubon article, and Kevin Esvelt in October at the SEJ conference. This is the annual conference for environmental journalists. I've worked with SEJ before when I was at the Wilson

Center.

I'll reach out again when it gets closer to the date so we can hopefully leverage more stories from this group. Here is a link to the event: <http://www.sej.org/sej-annual-conferences/AC2017-agenda-friday>
