Good Day All,

I have received the MoU back from NWRC, so we now have two organizations down, five to go.

I will be taking the documents to Australia tomorrow to get signatures for CSIRO and hopefully Univ of Adelaide, then back to the US.

During my May 20-June 3rd stay here, I will pursue NCSU and Texas A&M, then back to Australasia for signature by Landcare, then done!

Warmly
Royden
