Good afternoon Mr. Oye:

The Department of Agriculture and Agri-Food Canada has received a request pursuant to the *Access to Information Act* concerning records that contain information prepared by your organization. The records consist of a deck that was prepared by you, Delphine Thizy, Kevin Esvelt and Jason Delbourne (for the OECD BNCT Workshop on Gene Editing in International Context on September 29, 2016). Can you please advise if I should consult with all 4 or will consulting with you suffice.

Thank you.
